As Southeastern graduates you join the ranks of students who have completed a vocational high school education and have a competitive advantage into the future. For those of you entering the workforce, you have gained valuable skills, knowledge and work ethic that will make you a sought-after employee. For others, who have decided to further their education or to serve our country in the military, you graduate with a focus on learning and a career-path that will help guide you through the remainder of your journey. I sincerely hope that your time at Southeastern was enjoyable and wish you well on all your future endeavors.
